Buffalo Bill Says It's Time To Quit

Omaha, Nov. 11.—"Buffalo Bill" has given his last Wild West show in the United States, according to his own statement. Two years of travel and performance in Europe will end his career as a showman.

"Two more years of it in England," said Colonel Cody, "and I'm done. I've toured the new world and the old and I've given my show in every nook and corner, and it's high time now that I was getting out of it."

Colonel Cody leaves on December 13th. When he returns to the United States he will devote himself to his interests in ranching and mining, which have grown to great proportions in the last few years. His rough rider college at Cody, Wyo., will also occupy much of his attention.

Siam Prince Engaged To Wed Japanese

London, Nov. 15.—The Evening News announces that the Crown Prince of Siam, Chulalongkorn Rajavidyalok, is engaged to marry the eldest daughter of the Emperor of Japan. The Princess is 14 years of age.

The officials of the Siamese legation here informed a representative of the Associated Press that the report of the Crown Prince's engagement is unfounded. As, however, considerable political importance would attach to such a marriage, a diplomatic denial would naturally be forthcoming. The details were fully arranged.
